

Audited Accounts

HAP became a private limited company on 16 November 2007 (Company No. 6429126). Following the rules laid down by Companies House we have audited accounts as follows:

- 1 April 2007 – 15 November 2007 (prior to our incorporation)
- 16 November 2007 – 31 December 2008
- 1 January 2009 – 31 December 2009
- 1 January 2010 – 31 March 2010

We have now changed financial year so that the next period of audited accounts will be 1 April 2010 – 31 March 2011, to bring the year in line with our core funding stream and commonly used financial year.

Copies of all these accounts up until 31 March 2010 are available.
